

HEALTH & SAFETY POLICY

Abdullah Al-Khrinej General Trading & Contracting Company (AGTC) is fully committed to conducting all its work in a manner that provides maximum protection to people, facilities and environment and to the prevention of injury and all ill health. A safe working environment shall be insured for employees, customers, subcontractors and other associated with the company's location and work site.

This policy has been deployed based on our firm belief that health, safety and environmental objectives shall be given the highest priority.

AGTC is committed to achieving this by:

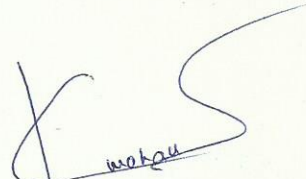

- Developing and maintaining a health and safety management system (H&S Management System). This shall be reviewed periodically to ensure it remains updated, legally compliant and relevant
- Planning and performing work in accordance with H&S Management System
- Ensuring that employees are adequately trained in Health and Safety issues
- Ensuring equipment and machinery used is in safe working condition, and operated by qualified and trained personnel
- Monitoring and reviewing safety performances of employees and subcontractors.
- Complying with statutory obligations and duties, and clients Health and Safety directives
- Co-operating fully with client's statutory authorities and relevant local communities
- Ensuring continual improvement of processes and procedures based on feedbacks and audit findings

All of us, through a coordinated effort, shall work to maintain an **SAFE WORK ENVIRONMENT**. We shall strive to be a leader in safety management and to demonstrate behavior recognized by our clients. This policy will be available to all interested parties and the company's workforce.
