QUALITY POLICY

AGTC is committed to strive for excellence in Quality and enhance customer satisfaction by consistently executing civil, mechanical and electrical construction projects through customer focused services conforming to agreed customer requirements by meeting the applicable legal requirements.

To achieve this AGTC is committed to:

- Establish, implement and maintain Quality Management System meeting the requirements of ISO 9001:2008
- Execute projects by following good practices in project management to complete projects on time and within the budget
- Improve effectiveness of QMS through monitoring Quality objectives
- Promote QMS awareness and provide resources for effective implementation of QMS
- Priority to health, safety and environmental protection in execution of projects

'Customer Comes First' is the guiding principle in all our actions.
